

Saboteer Notes

Sail dimensions:

**Luff = 13'0", foot = 8'6" (roach = 4"), leech = 14'6" (roach = 6")
59 sq ft.**

We do not currently have a sail available for this design. The closest we have is the Bull's Eye cat-rig sail.

Luff = 14' 0", foot = 8'0", leech = 15'0"
56 sq ft

Both are sock-type sails.
